## **Stop Swimming Against The Flood Insurance Tide**

Credits – 5.5 CPE

January 17, 2019

[Marriott Prattville Hotel & Conference Center](#)

In this one day class on flood insurance, we will cover what you need to know to have confidence about flood insurance requirements and a compliant process that spells out everyone's role.

The learning objectives for this class include:

- When flood insurance is required – transactions as well as insurable structures
- Giving a compliant flood insurance notice
- How much flood insurance should you require, including for multiple building situations?
- What about deductibles?
- All about force placement?
- What if the premium for force placed insurance is added to the loan?
- Detached structures exemption
- Private Flood Insurance – what is happening on guidance, what can be required?
- What to do when the program lapses – can loans still be originated or renewed?

You will receive a manual that can be used as a flood insurance reference guide.

**PRESENTER: Kathleen Blanchard**
